

Domaine de Flines

ANJOU

AOC ROUGE

Area of Production :

Anjou wines are produced on a variety of carefully chosen soils.

Method of Production:

made from Cabernet Franc and Cabernet Sauvignon grapes. Its fine ruby colour, raspberry and blackcurrant flavour, give to this wine a very nice harmony and a light structure . this wine is now ready to drink.

Serving Suggestions :

enjoy this wine young and slightly chilled at 12°C with grilled meat, cold meat and mild cheeses.
