# SAUMUR AOC ROUGE

### Area of production :

Red wine from Saumur grown on diverse but predominantly chalky and sandy soils.

### Method of Production :

Made from the Cabernet Franc and/or the Cabernet Sauvignon grapes, it is a generous wine with a full, rich character and flavours of red fruit.

### Serving suggestions :

When young, with its firm, intense structure, it can be served chilled at around 12° with red meat and cheeses. After a few years, it can be served at around 14/15° allowing its more complex and rounded characteristics to develop.
