SAUMUR AOC ROUGE

Area of production :

Red wine from Saumur grown on diverse but predominantly chalky and sandy soils.

Method of Production :

Made from the Cabernet Franc and/or the Cabernet Sauvignon grapes, it is a generous wine with a full, rich character and flavours of red fruit.

Serving suggestions :

When young, this wine develops an intense structure. It can be served chilled at around 12° with red meat and cheeses. After a few years, it can be served at around 14/15° allowing its more complex and rounded characteristics to develop.
